

IMPORTANT News Re: Global Legacy

11/22/19 Letter from Pastor Rod Marquette:

Greetings Upper Midwest Global Legacy group!

We are looking forward to gathering together again in January and the other meetings listed below but felt it was important to pass along some important information before that time. There are some changes regarding the existing Global Legacy (GL) network and the new Bethel Leaders Network (BLN).

At the end of this note you will find a forwarded [email from Bethel Church](#) in Redding, California that I received this week. As indicated in their letter, starting early in 2020, they will no longer be using the name "Global Legacy" and the network will be known solely as "Bethel Leaders Network". In line with these changes, please note that our future leadership gatherings held here at Destiny Church, will be known as Bethel Leaders Network (BLN) gatherings rather than Upper Midwest Global Legacy (UMGL) gatherings. It is important to note that while our family name may be changing, our family is not. What you've experienced in our meetings in the past will continue because it is only the name that will be changing. We also want to clarify that you are not required to be a member of BLN in order to attend our gatherings.

If you have any questions or concerns regarding any of these changes please feel free to contact me at any time.

Happy Thanksgiving.

Sincerely,

Rod Marquette
